Have a good time with the kid by doing such activities. Please check my blog for different activities and book reviews.

If there is any error or anything needs to be changed or to be included, please write an email to indumathi.1@gmail.com

How to Use:

- Take a printout and Color the reference letter with dot markers or any markers (with whatever colors available with you)
- Ask the kid to match the same letter and color it with same color using dot markers or any available markers.
- It's a fun way to learn the letters and a great matching activity.
